Dear Dr. Sahyendra Triwari,

At the outset, let me congratulate you and your team for the contribution and participation in one of the largest national registry. The data is being analyzed. As discussed in the study group meeting, every chapter is requested to pay the site investigators an amount based on the number of CRFs submitted by them (Rs 25 per CRF). We are enclosing the details of CRFs submitted by each hospital from your chapter. Please send us the details of the payment including total amount disbursed. As agreed upon previously, UP chapter has to contribute Rs 25000 towards funding for the study. Any excess amount disbursed by your chapter over and above Rs 25000 will be paid to the Chapter from the study account. However if the amount disbursed is less than Rs 25000, the difference will have to be paid by the chapter to the study account.

Kindly send us the bank account details (Name, account number, bank/branch details and IFSC code) of your chapter at the earliest.

If you need any further clarification, please feel free to contact us.

Best Regards,

Dr. Geewar Zachariah

The Buzzword Today

**INSPIRING
CARDIOLOGISTS
OF INDIA**

“In today's era of fast pace of medical technology and gadgets, we need to be able to strike an emotional as well as personal chord with our patients and also serve as role models for the general public.”

Prof. Dr. Aditya Kapoor

MBBS, MD (Med), DM (Cardio), FACC, FESC, FCSI, FAPSC,
Professor (Cardiology) Sanjay Gandhi PGIMS, Lucknow.

(Over 170 Publications & 32 Book chapters)

ACHIEVEMENTS

- Commonwealth Scholar (1986-1988), Visited as Cardiac Electrophysiologist at St George's Hospital, London Director Coronary Care Research Unit at St George's (1988-93)
- Gold Medal for "Outstanding Contribution to Cardiology in the World", IACC 2015-2016
- ICD (I) of Health - an initiative to Patients for the Life Span
- Health Services Award for outstanding contribution to society Lucknow 2018
- Top Ten teachers of the hospital, 2009 Post Graduate Medical Council of Western Australia

I was a passionate medical student as when I completed my MBBS, I was placed in one of the premier tertiary care teaching hospitals of the country delivering super-specialty multi-disciplinary care being a coronary interventionist, I got the opportunity to become a Cardiac surgery specialty student. Being a part of a diverse team we have together published numerous publications in peer-reviewed international and national journals.

As a Commonwealth Scholar in the UK, I got training in cardiac electrophysiology following which I set up the Electrophysiology and Radiofrequency Ablation program at our center making it the largest institution offering these services in India. I got an opportunity to work as a senior physician and Director of Coronary Care Intensive Hospital in Australia. Over there I worked closely with interventional cardiologists and the local electrophysiology program in collaboration with Cardiac department.

INNOVATIONS

Setting up of the first, affordable catheterization laboratory in a super-specialty tertiary care (T) and implementing state-of-the-art interventional electrophysiology program which enable early treatment of symptomatic congenital heart disease.

COMMUNITY CONNECT

This is an important duty of a doctor which I strongly feel should not be seen as a mere routine job. I am a regular part of such innovative programs which are being initiated in a rural premier medical care in one of our under-served areas. I have been part of many health camps in which patients are screened and given a comprehensive package of health services and advice on healthy lifestyle. I have conducted 100000 patient training sessions for the general public.

LIFE BEYOND MEDICINE

One of the things that I enjoy most is "The Drive". I am a sports fan and I love watching sports. I have been a part of many marathons and triathlons. I also like to play badminton and table tennis. My other hobbies include painting, watching movies, listening to old Hindi music and reading books.

MY THREE CHALLENGES

- Covid-19 management: Offering patients support and care in a time of crisis of global dimensions along with the help of staff.
- To overcome my patients' expectations.
- Dealing with family young doctors: As a senior consultant cardiologist, I feel it is my duty to prepare the next generation of doctors.

THE BIG FIVE

Be Stress-free

- Stay calm
- Practice slow work
- Persistence
- Commitment
- Healthy sense of humor

Be a Good Listener

- Hear your colleagues right
- Don't be dominated by fat boys
- Collaborative teamwork
- Recognize criticism and suggestions
- Keep learning

Be a Good Doctor

- Ready to work
- Hard work
- Time management
- Detail oriented
- Realize attitude

Joint CSIR-UGC Test JRF AWARD LETTER

Dated: 20.07.2020

NTA Ref. No.: 191620086184

Roll No.: JH0116200059

SHIVANI KUMARI

Son/Daughter of SHANTI DEVI

and TAPAN KUMAR SINGH MANJHI

Subject: LIFE SCIENCES

Dear Candidate,

I am pleased to inform you that you have qualified for Junior Research Fellowship (JRF) and eligibility for Assistant Professor in the Joint CSIR-UGC TEST conducted in December 2019. The tenure of fellowship is five years and it commences from the date of declaration of NET result, i.e., 23rd January, 2020 (or) from the date of admission under M.Phil./Ph.D. (or) from the date of joining M.Phil./Ph.D. programme, whichever is later. The summary of financial assistance offered under the scheme is mentioned at Annexure I available on www.ugc.ac.in/netjrf

The Awardee is required to get admission and registration for regular and full time M.Phil./Ph.D. course in a University/Institution/College recognized by UGC at the first available opportunity but not later than three years from the date of issue of this award letter. University/Institution/College is requested to process for award of JRF based on this letter, in accordance with the procedure available on www.ugc.ac.in/netjrf.

It may be noted that the fellowship amount shall be disbursed through Canara Bank to bank account of the Awardee (any bank) directly. UGC had developed a dedicated web portal (<https://scholarship.canarabank.in>) for capturing data of the awardee. The Universities/Colleges/Institutions will link the data of the awardee with the master data on the UGC web portal with unique Maker/Checker Ids which have already been provided to them along with the passwords. The Universities/Colleges/Institutions shall update the information in the master data (regarding monthly payment confirmation, HRA, up-gradation, resignation etc.) of the beneficiaries on monthly basis. Based on the data updated on UGC web portal by the concerned Universities/Colleges/Institutions, the payment of the fellowship will be made to the beneficiaries (Detailed process available at https://www.ugc.ac.in/ugc_notices.aspx?id=2153).

It may also be noted that UGC had proposed to link "AADHAAR" with bank account of students so that there can be direct cash transfer and effective disbursement of fellowship into bank account of the student. In this regard, Secretary, UGC had already requested the universities to help students in Aadhaar enrolment vide D.O. No. F.14-34/2011 (CPP-III) dated 11.01.2013.

It may please be noted that the award is liable to be cancelled by Implementing/Awarding agency and it will also attract legal action against the Awardee in the following cases:

- If the awardee is found to be ineligible to receive the award at any point during the entire duration of fellowship.
- Misconduct of Awardee.
- Unsatisfactory progress of research work.
- Failure in any examination related to M.Phil./Ph.D.
- In case any other fellowship is drawn from other source(s).
- Concealment of facts.

The e-Certificate of eligibility for Assistant Professor has been uploaded on <https://ecertificate.nta.ac.in>. The eligibility of the candidate is to be ensured by the concerned institution/appointing authority. The category under which the candidate had appeared may be verified from NTA.

This electronic JRF award letter can also be verified by scanning the QR Code.

With best wishes,

Senior Director, NTA

Note: NTA has issued the electronic JRF award letter on the basis of information provided by the candidate. The appointing authority should verify the original records/certificates of the candidate while considering letter for JRF award. The NTA will not be liable for any false information provided by the candidate. The NTA is only responsible for the result which can be verified from the website of NTA (csirnet.nta.nic.in). The candidate must fulfil the minimum eligibility conditions for NET as laid down in the notification for Joint CSIR-UGC Test.
