Notes of Accounts

- Fixed Assets are valued at historical cost convention basis. Depreciation of Assets should be made on a Straight Line Method so as to write off the assets after it has completed its usage. Assets acquired out of Research grants, although shown as utilisation of the grants, have been capitalised to the tune of Rs. 2,42,68,803.00 and have been separately disclosed to that extent in the Receipts and Payments Account.
- It is observed that the Research Accounts has been receiving funds from various Funding Agencies for carrying on research project on different issues, and on the completion of the project the unutilized portion (if any) are refunded to the Funding Agency.
- Research Accounts have adopted cash basis of accounting.
- Some of the entries in Bank Statement are pending for adjustment for a period of more than Six months as on 31.03.2019 as per Bank Reconciliation Statement attached herewith.
- The Research Cell earns interest from Savings account in which it holds funds for research grants. In a few cases interest has to be refunded to the funding agencies. Both interest earned and interest refunded have been separately disclosed in the final accounts. Further, interest earned on fixed deposits is recognised as the difference between the Principal Value and the Maturity Value.
- HRA and EWC collected by Research Cell have been separately disclosed in the balance sheet as current liabilities.
