12) Certificate of completion of training course in Division of Endocrine Surgery, NorthShore University health system, Chicago, USA, (21st – 25th October 2019)

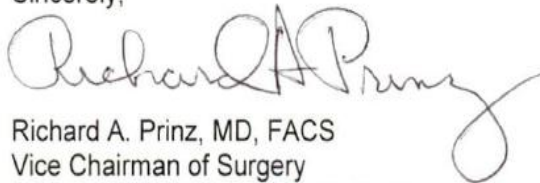

November 8, 2019

NorthShore University HealthSystem
Department of Surgery
Acknowledges

Dr. Abhishek Krishna completed a clinical observership in Endocrine Surgery at NorthShore University HealthSystem for the period beginning October 21, 2019 and ending on October 25, 2019.

Dr. Krishna was able to participate in all of the educational activities of the service which included outpatient clinics, conferences, rounds, seminars and observation in the operating rooms. His presence on the Endocrine Surgery Service was beneficial in supporting his education in this field.

Sincerely,

Richard A. Prinz, MD, FACS
Vice Chairman of Surgery
NorthShore University Health System
Clinical Professor of Surgery
The University of Chicago Pritzker School of Medicine

13) Certificate of completion of Robotic Training First assist course (August 2022)

Certificate of Intuitive System Training as a
First Assistant

ABHISHEK KRISHNA

has successfully completed Intuitive's system training program. This program consisted of practical skill application sessions covering the system, instruments, and accessories. Additionally, a system troubleshooting session was conducted.

Date:
August 21, 2022

Training Center:
SGPGI, Lucknow

Platform:
Da Vinci Xi surgical system

Training conducted by:
Anand Sharma

Limitations of Intuitive-Provided Instruction:

Training provided by Intuitive is limited to the use of its products and does not replace the necessary medical training and experience required to perform medical interventions. Intuitive's role is to facilitate peer-to-peer clinical teaching. Intuitive does not teach medical intervention, nor does it provide or evaluate medical credentialing. Intuitive's Technology Training Program is solely for the purpose of training on Intuitive products.
