

CURRICULUM VITAE

NAME: - Dr. Kumari Madhu

Father's Name: - Bhagirath Prasad Singh

Date of Birth: - 05/09/1983

1) Educational qualifications:

- a. MBBS: - 2003-2009, MGM Medical College, Jamshedpur, Jharkhand, India
- b. MS General Surgery: -2011-2014, RIMS, Ranchi, Jharkhand, India
- c. MCh Endocrine Surgery: -2022-2025, SGPGIMS, Lucknow, Uttar Pradesh, India

2) Area of Interest

- a. Minimal Access thyroid surgery.
- b. Newer multimodality treatment of breast cancer.

3) Projects

- a. The Influence of Patient's age on clinical presentation, management, and outcome of Nodular thyroid diseases in paediatric, adult and old age cohort: More than one Decade Experience in Tertiary care Centre.
- b. Observation of biomolecular changes after Neoadjuvant Chemotherapy in carcinoma breast in North India population.
- c. Comparative study of oncological and surgical outcomes of adding carboplatin versus no carboplatin to anthracycline and taxanes in primary treatment of early and locally advanced triple negative breast cancer. a pilot study

4) Awards:

- a. **Best Free Paper Award** Annual Conference, The Association of Surgeons of India ASICON - 2022
- b. **Best Video Presentation** in Association of Surgeons of Rural India (ASRI), Lucknow, 2023
- c. Faculty Guest Lecture on **"Scarless thyroid surgery"** in 22nd Annual Conference of association of Surgeons of India Jharkhand Chapter JASICON 2023.
- d. **"JSS Travel Grant 2024"** Annual congress Japan Surgical Society 2024.
- e. **Oncostem National Travelling Fellowship** – ABSICON 2025

5) Publications:

- a. 1) Gyan C*, Prathyusha G, **Madhu K** and Nitish KG Initial Experience of Endoscopic & Robotic Thyroid Surgery in India Case Report Volume 7 Issue 1 Received Date: March 31, 2023 Published Date: May 05, 2023 DOI: 10.23880/oaje-16000182.

- b. **Kumari M**, Chand G. Outcomes of patients with an intermediate risk group according to the Japanese risk classification of papillary thyroid carcinoma. World Journal of Surgery. 2024 Jan;48(1):250-.
- c. Wondwossen Amtataw*, Gyan Chand² and **Kumari Madhu**² Cortisol Secreting Pediatric Adrenocortical Adenoma, Managed with Robotic Posterior Retroperitoneoscopic Adrenalectomy: A Case Report with Review of Literature". Medicon Medical Sciences 6.3 (2024): 35-42
- d. Amtataw, W., Chand, G., & **Madhu K.** (2024). A Recurrent Giant Phyllodes Tumor with Review of Literatures. J Medical Case Repo, 6(1):1-5.
- e. Chand G, Godi P, **Kumari M**, Yadav A. Trans-Oral Endoscopic Thyroidectomy via Vestibular Approach (TOETVA): Single-Surgeon Experience of more than 100 Cases. Indian Journal of Surgery. 2025 Mar 28:1-6.

6) Meeting attended:

- a) Seminar: 03
- b) Journal Clubs: 06
- c) Case Presentation: 39
- d) Annual Surgical Audit: 03
- e) Clinical Grand Round and institutional Morbidity Meet: 06
- f) Nursing Education:03

7) Presentation in conferences

- a) **"Endoscopic thyroid Surgery in pediatric population >2year experience from tertiary care center in north India"** Free Paper Presentation in ASICON-2022, Mumbai, India
- b) **"Post mastectomy exercises"** Competitive Video presentation ASRI-2023, SGPGIMS, Lucknow, on 5th May 2023
- c) **"Scarless thyroid surgery"** Lecture JASICON-2023, Jhumari Taliya, Jharkhand, India on 1st- 3rd December 2023.
- d) **"Robotic Assisted Thyroid Surgery for Thyroid Malignancy"** A case series Poster presentation in PGES 2023 SGPGIMS 7th September 2023
- e) **"Young Male with metastatic Adrenocortical Carcinoma"** A Rare case Poster Presentation on Research Day SGPGIMS 2024

- f) **“Endoscopic Thyroidectomy Versus Conventional Open Thyroidectomy in Pediatric Patients” > 5-year Experience”** an oral Paper Presentation in Japan Surgical Society -JSS-2024, Aichi, Japan on 18th April 2024
- g) **“Surgical and Oncological Outcomes of adding Carboplatin versus no Carboplatin with Anthracycline and Taxanes in Neoadjuvant Treatment of Early and Locally Advanced Triple Negative Breast Cancer** competitive Poster Presentation ABSICON 2024
- h) **“The Influence of age on clinical presentation, Surgical management, and outcome of Differentiated Thyroid Cancer: - More than one Decade Experience from Goiter Endemic Region”** Competitive Poster presentation SGPGIMS Research Day 2025
- i) **“The influence of patient’s age on clinical presentation, surgical management, and outcome of nodular thyroid diseases in iodine endemic area: more than one decade experience in tertiary care center”**. Oral paper presentation in 25th national conference of the Indian association of endocrine surgeons (IAES) KGMU Lucknow.
- j) **Correcting Inverted Nipples: Minimally Invasive Fibrotic Band Release and Deep Dermal Suture Technique and Outcome In 4 Patients** poster presentation ABSICON 2025

8) Conference/ workshop attended

- a) Robotic and Open Thyroidectomy Live Operative Workshop, SGPGIMS Lucknow, July 2022
- b) Annual Conference of Association of surgeons of India ASICON 23rd December 2022
- c) Basic and Advance laparoscopic course April 2023
- d) CME ON Advances in Novel Formulation of Taxan at Telemedicine Auditorium, SGPGIMS, LKO 2023
- e) Annual Conference of association of Rural surgeons of India (ASRI) 5th may 2023
- f) Xi Multi – port Intuitive Technology training as first assistant work shop 2nd July 2023
- g) Post Graduate Endocrine Course in Endocrine Surgery (PGES) 7th -10th September 2023
- h) TIVAD Management Workshop BRASCON 17th – 19th November 2023
- i) CME on Diabetic Foot ulcer Management SGPGIMS, LKO - 25th November 2023

- j) Annual conference of association of surgeons of India Jharkhand Chapter JASICON
Dec- 2023
- k) Annual Congress of Japan Surgical Society at AICHI SKY EXPO Exhibition Center, Japan
from April 2024
- l) Annual Conference of Association of Breast Surgeons of India, ABSICON -2024
- m) Annual Conference of Indian Association of Endocrine Surgery, IAESCON 2024
- n) Symposium on End-of-Life Care in the I.C.U by Department of Critical Care Medicine
at SGPGI LKO.

9) Organizational Activities

- a) Member of organizing committee - Robotic and Open Thyroidectomy Live Operative Workshop organized by Dept. Of Endocrine Surgery, SGPGIMS, 22nd and 23rd July 2022.
- b) Member of organizing committee- 33rd Foundation Day of Department of Endocrine Surgery, SGPGIMS, 7th September 2022
- c) Member of organizing committee – Association of Rural Surgeons of India: Bench to Bedside Mastology for the Rural surgeon organized by Dept. Of Endocrine Surgery, SGPGIMS, 5th May 2023
- d) Member of organizing committee - Robotic Live Operative Workshop organized by Dept. Of Endocrine Surgery, SGPGIMS in PGES 2023
- e) Member of organizing committee- TIVAD management workshop, BRASCON, SGPGIMS Lucknow, 2023
- f) Member of organizing committee CME on Diabetic Foot Management at SGPGIMS Lucknow on 25th November 2023

10) Community Education / Services

- a) Breast Cancer Awareness and Clinical Breast Examination camp organized by the Governor of UP, Raj Bhavan Lucknow, UP on 1st May 2022.
- b) Breast and Cervical cancer screening program at CHC, Mohanlal Ganj, UP Sept 16, 2022
- c) Breast Cancer Awareness and Early Detection camp at IIM Lucknow in October 2022
- d) Pink Walk for Breast Cancer Awareness organized by SGPGI health program and SGPGI BCCAEDP at SGPGI on 16th October 2022
- e) Breast Cancer Awareness Program at Saraswati hospital and research Centre Chinhut UP October 2023
- f) Pink Walk for Breast Cancer Awareness Walkathon at SGPGIMS Lucknow, 29th October 2023.
- g) Pink Walk for Breast Cancer Awareness Walkathon at SGPGIMS Lucknow, 29th October 2023.
- h) Breast Cancer Awareness and early detection of breast cancer Program at airport Lucknow 30th October 2023.
- i) Women's day programme on Breast and Bone health at SGPGIMS Lucknow, 8th March 2024.
- j) Breast Cancer Awareness and Early Detection camp at Mausali, Barabanki UP on 30th June 2024.

11) Extracurricular and Hobbies

- a) Reading, planting
- b) Helping underprivileged
