CIRCULAR

As you are aware that **MedTech – a Centre of Excellence/Entrepreneurship (CoE) in MediElectronics and Health Informatics** has been established at SGPGIMS, Lucknow, with the support of Ministry of Electronics & Information Technology (MeitY), Software Technology Parks of India (STPI), Department of IT & Electronics, Government of Uttar Pradesh, SGPGIMS, and in collaboration with Association of Indian Medical Device Industry (AiMeD), and Andhra Pradesh MedTech Zone (AMTZ). The CoE aims to support and nurture startups working in the areas of medical devices, medical electronics, and health informatics by facilitating development of innovative, affordable, and indigenous healthcare technologies.

A part from physical infrastructure MedTech CoE at SGPGI, Lucknow have two dedicated labs with high-end testing equipment's along with access to Technocrat/ Medical practitioner's mentorship, funding assistance, Legal & IPR support, Marketing assistance and access to 21+ domain specific CoE across PAN India.

MedTech CoE has successfully launched Six open challenge programs as of today and on-boarded 58 startups and planning to launch the 7th Open Challenge program tentatively in mid July 2026. In this regard, MedTech CoE is looking for problem statements from all the faculty members/resident doctors/research scholars and students from SGPGIMS for receiving qualitative problems statements for OCP 7.0 challenge. The Last date to receive the statements is on or before June 30, 2026 (Tuesday). One can email us the problem statements on: medtech@stpi.in; and in case of any clarification please reach out to us on: +91-522-2985380/8004210317(M/W).

All the faculty members/resident doctors/research scholars and students having any innovative idea/prototype/ solution in MedTech domain are encouraged to share the problem statements to open challenge program of STPI-MedTech CoE and take his idea/ innovation to next level.
