

## Participation of CMT Students on "World Hand Hygiene Day 2026"

**Date – 05.05.2026**

The students of College of Medical Technology actively participated in the Awareness Program on World Hand Hygiene Day 2026, held on 5<sup>th</sup> May 2026. The program was organized by the Department of Hospital Administration, SGPGI and conducted at the HG Khurana Auditorium. The event aimed to promote awareness regarding the importance of hand hygiene in healthcare settings.

As a part of the program, 13 students from the college presented an engaging and informative skit highlighting proper hand hygiene practices. The performance effectively combined awareness with creativity and humor and was highly appreciated by the audience.

During the session speakers shared valuable insights on the importance of hand hygiene, its role in preventing infections and best practices to be followed in healthcare settings. Their informative talk added depth and relevance to the program.

More than 30 students from the College of Medical Technology attended the program and contributed to its success through their enthusiastic participation. The efforts of the students were applauded by the organizer and faculty members present at the event.

A group photograph was taken to commemorate the occasion, followed by the Hi-Tea for all participants.

The event served as an excellent platform to reinforce the significance of hand hygiene and encouraged students to adopt and promote healthy practices in their professional & personal lives.
