Vaccination Today | Cancer Prevention Tomorrow | A Healthier India Always

Students of the College of Medical Technology (CMT), SGPGIMS, Lucknow actively participated in two important health-awareness initiatives organized at the Institute in September 2026—the **HPV Vaccination Drive** and the **Poster Making Competition**—reflecting their commitment to preventive healthcare, public health awareness and community-oriented activities.

Poster Making Competition

CMT students also enthusiastically participated in the **Poster Making Competition** organized at SGPGIMS on the occasion of the **76th birthday of Hon'ble Prime Minister Shri Narendra Modi**. The competition focused on creating awareness about important

public health and environmental issues, including HPV vaccination and awareness, TB awareness and conservation of non-renewable sources of energy.

Students of CMT demonstrated their creativity and knowledge and brought laurels to the College by securing prizes in **Category 2 – Students of CMT, College of Nursing, Medical Students and Residents, SGPGIMS**:

- **1st Prize – TB/HPV:** Naina, B.Sc. Perfusion Technology, 2nd Semester
- **2nd Prize – TB/HPV:** Shreya Kesarwani, B.Sc. Radiotherapy Technology, 4th Semester
- **3rd Prize – TB/HPV:** Vanshika Chaudhary, B.Sc. Medical Laboratory Technology, 4th Semester
- **1st Prize – Conservation of Renewable Sources of Energy:** Shivanshu, B.Sc. Operation Theatre Technology, Intern
- **3rd Prize – Conservation of Renewable Sources of Energy:** Drishti, B.Sc. Radiodiagnosis & Imaging Technology, 6th Semester

These initiatives provided CMT students with valuable opportunities to translate their academic knowledge into meaningful public health awareness activities. Their active participation and achievements reflect the **College of Medical Technology's commitment to preventive healthcare, health education, creativity and holistic development of its students.**

HPV Vaccination Drive

A **Human Papillomavirus (HPV) Vaccination Drive** was organized at SGPGIMS, Lucknow, on **17 September 2026** by the **General Hospital, SGPGIMS**, at the Lecture Theatre Complex. The programme was conducted under the theme **"Protect Today, Brighter Tomorrows for Our Daughters and Youth."**

The initiative aimed to promote awareness regarding HPV infection, cervical cancer prevention and the importance of timely HPV vaccination. The drive was open to **girls aged 9–26 years** and witnessed participation from **CMT students, KVSGPGI Lucknow students, children of faculty members and B.Sc. Nursing students.**

The programme provided young participants with an opportunity to receive HPV vaccination and gain awareness about preventive healthcare and HPV-related cancers. The participation of CMT students highlighted the College's commitment to promoting health awareness and encouraging students to actively engage in initiatives focused on community health and disease prevention.

The Director, SGPGIMS, congratulated all the participating students for their enthusiastic participation and commendable achievements. He appreciated their efforts in promoting awareness about important public health issues and encouraged them to continue actively participating in such meaningful initiatives.

Glimpses of the event
