

**Pronto simulation and team training  
(In-Person Interprofessional Training)**

**19<sup>th</sup> June, 2023 (Monday)**

**Organized by**

**COLLEGE OF NURSING, SGPGIMS, LUCKNOW**

**In collaboration with  
Department of Maternal and Reproductive Health, General Hospital,  
UPSMF, Pronto International and JHPIEGO**

Two days Pronto simulation and team training (In-Person Interprofessional Training) organized by COLLEGE OF NURSING, SGPGIMS, LUCKNOW In collaboration with Department of Maternal and Reproductive Health, General Hospital, UPSMF, Pronto International and JHPIEGO from 19<sup>th</sup> to 20<sup>th</sup> June in SS Agarwal Lecture Theater. Chairperson for the program was Prof. Sanjay Dhiraaj, Chief Medical Superintendent, SGPGIMS, organizing secretary for the program was Dr Radha K, Principal College of Nursing. The program coordinators were Mrs. Shabana Khatun & Mrs, Anju Verma, Associate Professor, Mrs. Bhumika & Mr. K. Halemani.

Inauguration program was on 19<sup>th</sup> June 2023, started at 9:45 am in which welcome speech was delivered by **Prof. Sanjay Dhiraaj**, CMS SGPGIMS and Nodal Officer, College of Nursing, SGPGIMS.

Chief Guest of the program **Prof. R K Dhiman**, Director, SGPGIMS, Lucknow addressed the gathering by his encouraging words and shared his student life experience about lack of such simulation training which is very much necessary for a doctor and nurse or any other health care team member to do the task with minimal errors in caring the patients.

Guest of Honour of the program **Dr. Seema Handu**, Country Director, PRONTO International, addressed the gathering and explained the importance of interprofessional team work and also how PRONTO international team provides low technology, low cost and highly reliable simulation technique. And it also very potable technique to carry the simulation activity anywhere. PRONTO International is focusing on the underdeveloped states like Bihar and U P and MP in India at different levels of health care setting such as District Hospitals, Taluka Hospitals, CHC and PHC.

**Prof. S P Ambesh**, Dean, SGPGIMS as explained the meaning of word PRONTO which is derived from Italian language i.e., Quick or Prompt. He also mentioned about it funding agency i.e., Bill and Melinda Gate's Foundation, USA. He also has explained about

Mission Niramaya which is initiated by U P Govt October 2022, which is mainly focused on creating skilled nursing and Paramedical personnel in turn improving quality of health care in UP and also setting an example in India.

**Dr. Anju Rani**, Senior Gynecologist, General Hospital, SGPGIMS, Lucknow addressed the gathering and mentioned the importance of empathy, sympathy and good interpersonal relationship between health care team and antenatal mothers and their relatives. She also encouraged to conduct such simulation training sessions frequently for residents and nurses to keep updated the skills MCH care.

After the inauguration PRONTO team consisting of **Ms. Divya Vincent**, **Ms. Nidhi Subramaniam**, **Ms. Rebecka David** and one person from JHPIEGO Team **Ms. Kalpana Pustela** continued with PRONTO Simulation and team training in which total 34 participants were present out of which 8 were Senior Residents and Junior Residents from MRH ward and other departments. 26 were nursing officers from SGPGIMS, Lucknow.

Other than clinical skill building activities, there was emphasis on the components of Respectful Maternity Care (RMC) and providing privacy and confidentiality to the mothers. Team work and communication activities were conducted to enhance the collaboration within the healthcare team.

Simulations on normal vaginal delivery and neonatal resuscitation were conducted where the nursing officers and the doctors participated as mother, companion and healthcare providers. Sessions were very interesting and kept the participants engaged throughout the day by sharing real life situations by the PRONTO Team. The first day of the training ended at 5pm.

### **20<sup>th</sup> June, 2023 (Tuesday)**

Second day started with the activity to make trainees to make them understand the difference between the instructor and the facilitator. Team described the quality of facilitator for making learning interesting. Pronto Team members Ms. Rebecka, Ms. Nidhi Subramaniam, Ms. Divya Vincent moderated the Simulation on Post Partum Haemorrhage, newborn resuscitation and pre-eclampsia and participants themselves got involved in simulation actively. Dr Seema Handu demonstrated the communication technique (Animal card line up) by group activity to understand the given situation and act accordingly without giving any oral command. They demonstrated the importance of the team work by spider web activity. **Ms. Kalpana Pustela** from JHPIEGO was also present. Program was ended with distribution of certificates and the vote of thanks given by **Mrs Shabana Khatun, Associate Professor**, College of Nursing, SGPGIMS.

At the end of the session, the feedback of participants was taken by the Pronto team and nursing college both.
