OFFICE ORDER

The National Assessment and Accreditation Council (NAAC) conducts assessment and accreditation of Higher Educational Institutions (HEI) such as colleges, universities or other recognized institutions to derive an understanding of the 'Quality Status' of the institution. NAAC evaluates the institutions for its conformance to the standards of quality in terms of its performance related to the educational processes and outcomes, curriculum coverage, teaching – learning processes, faculty, research, infrastructure, learning resources, organization, governance, financial well-being and student services.

The prime task of IQAC is to develop a system for conscious, consistent and catalytic action, so as to improve the academic and administrative performance of the institution, as well as to promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices. NAAC mandates for every academic institute/organization to have an Internal Quality Assurance Cell (IQAC). Therefore, SGPGIMS IQAC committee is hereby being constituted. **The details of the committee are mentioned vide infra:**
