## Circular

As all are aware that MedTech Centre of Entrepreneurship (CoE) has been setup in SGPGIMS in collaboration with Software Technology Parks of India (STPI). STPI is an organization under Ministry of Electronics & Information Technology (MeitY), Government of India, established in 1991 with an objective of boosting the software and Electronics hardware exports from India.

A part from physical infrastructure MedTech CoE at SGPGI, Lucknow have two dedicated labs with high-end testing equipment's along with access to Technocrat/ Medical practitioner's mentorship, funding assistance, Legal & IPR support, Marketing assistance and access to 21+ domain specific CoE across PAN India.

MedTech CoE has successfully launched five open challenge programs (OCP 1.0; OCP 2.0; OCP 3.0; OCP 4.0; OCP 5.0) as of today and on-boarded 50 startups and planning to launch the 6th Open Challenge program tentatively in October 2024.

In this regard, MedTech CoE is looking for problem statements from all the faculty members/resident doctors/research scholars and students from SGPGIMS for receiving qualitative problems statements for OCP 6.0 challenge. The Last date to receive the statements is on or before September, 27, 2024 (Friday). One can email us the problem statements on: medtech@stpi.in ; and in case of any clarification please reach out to us on: +91-522-2985380/8004210317(M/W).

Hence, all the faculty members/resident doctors/research scholars and students having any innovative idea/prototype/ solution in MedTech domain are advised to apply in this open challenge program to leverage CoE's benefits and take your idea/prototype to the next level.
