Message

To All Candidates of the Nursing and Hospital Attendant Entrance Examination, held on 1st November 2026.

I am reaching out to address the cancellation of entrance examination and to extend my personal apologies for the inconvenience this has caused.

The cancellation was forced by sudden technical failures, specifically regarding biometric verification systems. Because this system is vital to ensuring a secure and level playing field, we chose to halt the exam rather than compromise the integrity of your hard work.

Please accept our deepest apologies, and we are already fixing the root cause.

Moving forward, I want to give you my absolute assurance that the rescheduled examination will be conducted soon, in a completely smooth manner, and with absolute fairness and transparency.

We are working around the clock to announce the fresh exam dates quickly.

Thank you for your patience and understanding.

Sincerely,

(Radha Krishan Dhiman)
