OFFICE ORDER

Sub: Policy for re-testing and joining back duties for COVID positive Health Care Workers (HCWs).

Following would be the policy for re-testing for Covid and joining back on duties by any HCWs who have tested covid positive:

1. Asymptomatic or mildly symptomatic Covid positive HCWs who were advised home isolation by departmental surveillance committees:
 - a. Will join back on day 8th after completing 07 days home isolation from date of covid positive testing WITHOUT RE TESTING, if they have been afebrile and /or free of major symptoms for three days.
 - b. Any HCWs with continuing fever/major symptoms shall be reassessed by the departmental surveillance committees and would be advised, any further tests or treatment accordingly. Any further leaves on medical ground if thought essential by departmental surveillance committee shall be either medical leave or earned leave (Quarantine leave for home isolation is allowed only for maximum 07 days)
2. Any HCWs with severe covid symptoms/complications or major co-morbidities necessitating admission to RCH shall be advised appropriate treatment and quarantine/ medical leaves by the treating doctor in RCH.

These are as per ICMR advisory, and would be applicable to all faculty, residents, nursing & paramedical staff, and all employees of the institute irrespective of the cadre.
