#Remarks: The candidate is provisionally declared eligible for counselling to be conducted on 2nd May 2026, as the applications have not undergone prior screening. Such provisional eligibility is subject to the candidate's position in the merit list, availability of seats, and satisfactory verification of original academic qualifications and degree certificates at the time of counselling. This provisional declaration shall not confer any right to admission unless all prescribed conditions are duly fulfilled upon verification. Candidates are hereby advised to independently ascertain their eligibility status, merit position, and likelihood of selection prior to attending the counselling process. Any inadvertent error, typographical or otherwise, in this communication shall not confer any legal right or claim, and shall be subject to correction by the competent authority.
