

## COLLEGE OF MEDICAL TECHNOLOGY & ALLIED HEALTH SCIENCES, SGPGIMS, LUCKNOW

### Title of the course:

B. Sc. in Perfusion Technology (BPerT)

### Objectives of the Course

The aim of course is to provide a high-level educational process through formal didactic and state-of-the-art clinical experiences that will render qualified, patient focused, compassionate perfusion technologists for the community who are engaged in lifelong learning. The graduates of the program are prepared to apply for the Perfusionist job.

### Expectation from the future graduate –

1. Should be able to perform all aspects of perfusion including assembly of pump circuit, initiating and running of cardiopulmonary bypass (CPB), including helping with cannulation and retrograde priming during surgical procedure, management of blood gases, electrolytes, patient temperature (cooling and rewarming), activated clotting time (ACT), perfusion pressure and termination of bypass; myocardial protection (cardioplegia preparation and delivery of various types and various routes); Warm reperfusion (hot-shot) and decannulation for CPB for patients of all age groups (neonates, children and adults).
2. Able to set-up and manage intra-aortic balloon pump if indicated.
3. Should be able to assemble and run the extracorporeal membrane oxygenation for various surgical procedures and in other patients (of all age groups) as indicated.
4. Should be able to set-up, manage and help with ventricular assist device (short-term as well as long-term) as and when indicated.
5. Should be able to help with perfusion management of patients during and after heart, lung and Heart-lung transplantation.
6. Should be able to handle all perfusion related equipment independently and undertake care and maintenance of equipments.
7. Should ensure patient safety and quality assurance.
8. Should be able to communicate with surgeon, anesthesiologist, nursing and other staff in Operation Theater and intensive care unit (ICU) in a professional manner so as to ensure holistic management of patient during perioperative period.
9. Should be able to learn research methodology so as to participate and conduct clinical and basic research related to CPB.
10. Able to receive and document verbal, written and electronic orders in the patient's medical record.
11. Should have computer skills.
12. Students will demonstrate quality patient care skills including professionalism and ethical behaviors as specified in the code of ethics.

### Duration of the course

The minimum duration of course will be 4 (3+1) years, 6 semesters followed by one-year compulsory internship (inhouse as well as approved other Government institutions of the city running Cardiovascular and Thoracic Surgery Program like KGUM, RMLIMS).

Maximum duration to complete the course (all papers of 6 semesters and 1-year internship) will be 8 years from the date of admission.

### **Eligibility for admission:**

1. The minimum age for admission shall be 17 years and maximum age shall be 30 years. (As per MHW guidelines).
2. He/she has passed the Higher Secondary (10+2) or equivalent examination recognized by any Indian University or a duly constituted Board with Physics, Chemistry, Biology with minimum of 50% marks in aggregate.
3. Student should be medically fit.
4. Departmental / sponsored candidates will have to take the same test to qualify the course; however, a separate merit list will be prepared for sponsored candidates. Upper age limit may be relaxed for sponsored candidates.
5. Reservation rules will be application as per the government rules.
6. All the above-mentioned rules/ criteria will be superseded by rules and regulation setup by the College of Medical Technology and allied health sciences, SGPGIMS, Lucknow and is subject to change as per decision of the Institute from time to time.

### **METHOD OF SELECTION:**

Selection of candidate will be strictly on the basis of merit of the students in an entrance exam as conducted by the institute or candidates may be drawn from another exam in accordance to rules and regulation setup by the CMT, SGPGIMS, Lucknow.

### **FEES**

Fees for the course will be in accordance to rules and regulation setup by the CMT, SGPGIMS, Lucknow and is subject to change as per decision of the Institute from time to time.

### **TOTAL NUMBER OF TRAINEES**

Twelve students (12) will be admitted in each academic year (including maximum 02 sponsored candidates from SAARC or developing countries or from Government institutes of the country. However, if sponsored candidate is not available, then seats may be filled up from open students).

### **HOSTEL FACILITY**

Hostel will be provided to the students in the campus, if available.

### **STIPEND**

Stipend will be paid to students during internship in accordance to rules and regulation setup by the CMT, SGPGIMS, Lucknow and is subject to change as per decision of the Institute from time to time. Sponsored candidates will not be entitled for stipend.

### **ACADEMIC SESSION**

*Bajpai*  
Academic session will start from August/September month of every year in accordance to rules and regulation setup by the CMT, SGPGIMS, Lucknow. Each semester will consist of academic work equivalent to 90 teaching days.

**Lt Col Varun Bajpai VSM**  
Executive Registrar  
SGPGIMS,Lucknow

### **MEDIUM OF INSTRUCTION**

English shall be the medium of instruction for all the subjects of study and for examination of the course.

### **FACULTY OF TRAINING**

1. Faculty, Department of CVTS, SGPGIMS, Lucknow
2. Faculty, College of Medical Technology, SGPGIMS, Lucknow
3. Faculty working in other departments of SGPGIMS, Lucknow
4. Guest faculty as and when required for specialized teaching
5. Adjunct faculty as and when required for specialized teaching

\* Theory and practical classes/ demonstration will also be taken by Senior residents and Technical staff members working in Department of CVTS, Anesthesia, Cardiology and other departments of SGPGIMS as per requirement of the syllabus.

## TRAINING PROGRAMME

### Syllabus & Curriculum

Theory classes and practical training will be distributed over 6 semesters. The classes for foundation courses and some common papers will be conducted at College of Medical Technology, SGPGIMS. For the teaching of core papers, classes will be arranged in department of CVTS.

For self directly learning and clinical education, the students will be posted in Operation Theater and Intensive care unit in CVTS department, where they will engage themselves in the day-to-day work together with the employed Technologists and other medical and paramedical staff. Students will participate in seminar, case presentations and maintain a logbook to keep record of their day-to-day practical work, which will be signed by the tutor/lecturers/guest faculty.

Last year (7th and 8th semester) will be rotatory internship training focusing mainly on practical work. Course curriculum and syllabi for the course shall be as prescribed by Board of studies and approved by the Academic Board of the Institute from time to time.

Detailed syllabus of each paper has been given in the last section (**Annexure 2.2**)

\*Students will be posted in various areas of the department/institute supervision of technical staff / guest faculties for self-directed learning.

\*Students will be posted in various areas of the department/institute on rotation basis in the remaining time (after lectures / Tutorials /practical) under supervision of technical staff / guest faculties for self-directed learning, clinical training and education.

**BPerT INTERNSHIP**) mandatory rotating internship in Perfusion Technology

A student can only start internship after clearing all papers of 1<sup>st</sup> to 6<sup>th</sup> semester as per the prescribed pass / promotion rules by CMT, SGPGIMS, and his/her conduct has to be good throughout this duration.

Students have to undertake the rotational postings during which students have to work under supervision of an experienced staff in the following areas. The internship may be done in other academic institutions of repute in the country after prior permission from HOD CVTS and Nodal Officer CMT. The students doing internship from SGPGIMS may be rotated to KGMU/RMLIMS with prior permission from those institution for each batch of students.

| S. No.       | Posting  | Credit                  |
|--------------|----------|-------------------------|
| 1            | CVTS OT  | 10 months<br>40         |
| 2            | CVTS ICU | 2 months<br>12          |
| <b>Total</b> |          | <b>12 months<br/>52</b> |

At the end of each posting the student has to get certified in the log book from the supervising staff regarding their satisfactory performance, punctuality and conduct. Grade point will be given at the end of each posting (0-10 scale) for credit score calculation.

If the student has not attended the internship posting or his performance has not been satisfactory, that posting will be repeated. Total 15 days leave will be

At the end of course, the students will be encouraged to take Board of Cardiovascular Perfusion of India; although it will be voluntary in nature.

## **Equipment of Training**

Students will be taught handing of all the perfusion related equipments with special care of quality control and patient safety aspects including asepsis. Training will also include understanding the principle, mechanism of function, setting up, running, care and maintenance of the modern perfusion technology equipment. The important ones are as following -

1. Conventional CPB machine and Heat exchanger machine.
2. ACT machine
3. IABP machine
4. ECMO (Elective as well as emergency)
5. Ventricular assist devices
6. ICU monitors
7. Quality control and equipments for sterilization of various components of the CPB circuit.

## **ATTENDANCE**

Secured minimum 80% attendance in overall with at least; 75% attendance in theoretical and 80% in Skills training (practical).

### **Condonation for Attendance**

Condonation may be granted by the Principal/Nodal Officer to the extent of 10% in exceptional cases i.e. serious illness & hospitalization, accident, mishap in the family or deputation by the college for any specific work for which the period of his/her absence shall not be counted towards the calculation of attendance on the condition that students concerned submit a certificate to that effect from the appropriate authority.

## **EXAMINATION**

### **(a) Internal assessment (IA)**

It is essential to monitor the learning progress of each candidate through continuous appraisal and regular assessment. It not only helps teachers to evaluate students, but also students to evaluate themselves. The institute will conduct internal assessment exams based on pattern set by the College of medical technology, SGPGIMS. One internal assessment will be conducted in each semester after completion of about 75% of syllabus and at least a month before end semester exam.

Internal Assessment will be conducted at the level of course coordinator. A student who could not appear in an internal assessment examination due to valid reason will be allowed one more chance to take the same examination. If even after that, the candidate does not appear in the internal exam, he will be given zero marks for that internal exam.

Weightage of the Internal assessment will be 20% of the total marks of the particular paper.

*Varun Bajpai*  
Lt Col Varun Bajpai VSM  
Executive Registrar  
SGPGIMS,Lucknow

Internal assessment may or may not include a practical, will be as per the curriculum defined. Theory marks of internal assessment will be added in the final semester theory marks. Similarly, practical marks of internal assessment will be added into the final semester practical marks. Marks of logbook / seminar / case presentation will be added in the practical marks of internal assessment.

### **(b) Log book /Seminar**

Every candidate shall maintain a log book for prescribed subjects. Students will maintain record of their day to day practical work/ clinical posting which will be signed by the

*Bajpai* *21/3/17* *V* *S. P. Chaudhary* *✓* *b* *34*

tutor/lecturers/guest faculty. In addition the student will document seminars and the important Perfusion related procedures and topics as suggested / assigned by the guest faculty / tutor. The log book shall be scrutinized and certified by the concerned faculty and course co-ordinator and will be presented in the final examination.

- 5 marks have been allotted for the log book for some core papers.
- Students will be encouraged to present seminars and journal clubs. 10 marks will be given for seminar /case presentation based on the content of presentation, fluency and ability to explain the topic and will be included in internal assessment practical marks.

**(c) End semester examination:**

There shall be 6-monthly end semester examinations, one each at the end of each semester. Candidate shall be required to appear in all papers of the semester as specified in the course. Practical exams will be conducted for relevant papers as mentioned in curriculum. Practical exam will be divided in spotting / performance of procedures and table viva.

**Type & number of questions for theory examination of core papers:**

There shall be one theory examination for each core paper. The duration of theory external examination will be of 3 hours. Distribution of type of questions shall be as given below:

1. Long answer types 06 (to attempt 05) - marks for each long answer question will be 10% of total marks for that paper.
2. Short answer types 12 (to attempt 10) - marks for each short answer question will be 5% of total marks for that paper.

\* Exam for foundation papers will be as per rules and regulation set by CMT, SGPGIMS in concurrence with other B.Sc. course.

**Allotment of marks**

The allotment of marks in final examination should include theory, practical and internal assessment as mentioned in the curriculum table.

**Computation of SGPA and CGPA**

**(a) Table for conversion of percentage into grade points**

| Level        | Outstanding | Excellent | Very Good | Good    | Above Average | Average | Pass              | Fail | Absent |
|--------------|-------------|-----------|-----------|---------|---------------|---------|-------------------|------|--------|
| Letter Grade | O           | A+        | A         | B+      | B             | C       | P                 | F    | Ab     |
| Marks %      | 90.1-100    | 80.1-90   | 70.1-80   | 60.1-70 | 55.1-60       | 50-55   | Passed with grace | < 50 | 0      |
| Grade Points | 10          | 9         | 8         | 7       | 6             | 5.5     | 5                 | 0    | 0      |

*Varun Bajpai*  
Lt Col Varun Bajpai VSM  
Executive Registrar  
SGPGIMS,Lucknow

**Credit score of a particular paper = Grade point X Credits**

**(b) SGPA (Semester grade point average) is the ratio of sum of the product of the number of credits with the grade points scored by student in all the paper, the sum of the number of credits of all the courses undergone by a student.**

*Bipunchandra Kumar* (Signature)

(35)

|        |   |
|--------|---|
| SGPA = | $\frac{\text{Sum of credit scores of all papers of a semester (grade point scored} \times \text{credits})}{\text{Total credit points for that semester}}$ |
|--------|---|

- (c) The CGPA (Cumulative Grade Point Average) is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of the course.
- (d) The SGPA shall be calculated at end of each semester and CGPA shall be calculated after clearing all papers of 1<sup>st</sup> to 6<sup>th</sup> semesters and shall be rounded off to 2 decimal places.

#### **APPOINTMENT OF EXAMINERS**

All examiners will be appointed by In-charge examination cell, from the list of examiners approved in the respective courses.

1. Convener – Head, Department of CPTS, SGPGIMS, Lucknow
2. Theory: The board of examiners for end semester theory examination shall consist of 50% external and 50% internal examiners.
3. For the practical examination there shall be one internal (of the institute) and one external examiner.

Internal examiner (01)- Course coordinator, Department of CPTS, SGPGIMS / Faculty, Department of CPTS, SGPGIMS, Lucknow / Faculty, College of Medical Technology, SGPGIMS, Lucknow

External examiner (01) - Tutor / Lecturer / faculty working in department of CPTS of a teaching hospital of any part of country including Lucknow  
The list will be approved by the I/C CMT and will be updated regularly as per need

**Eligibility of examiner:** Minimum 5 years teaching experience after post-graduation.

#### **RE-CHECKING / RETOTALLING OF ANSWER PAPERS**

In accordance to rules and regulation setup by the CMT, SGPGIMS, Lucknow

#### **PASS, PROMOTION CRITERIA & BACKLOG**

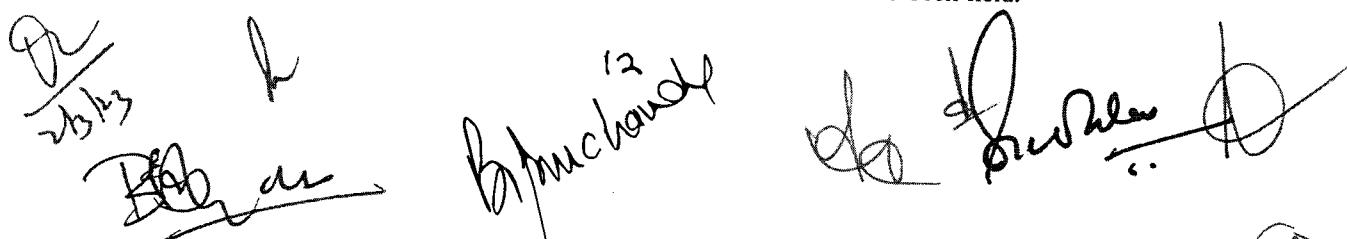

Pass / promotion / backlog papers rules will be as per the regulations formulated by CMT, SGPGIMS, Lucknow and is subject to change as per decision of the Institute from time to time.

#### **Re-admission after break of study:**

  
Re-admission and study break rules will be in accordance to rules and regulation setup by the CMT, SGPGIMS, Lucknow.

**Lt Col Varun Bajpai VSM**  
**Executive Registrar**  
**SGPGIMS, Lucknow**

1. The Sanjay Gandhi Postgraduate Institute of Medical Science, Lucknow, will publish the result of examination as soon as possible after the examination has been held.

2. Successful candidate shall be classified as under on the basis of aggregate marks obtained in all the papers of a semester:
 

|                                    |  |
|------------------------------------|--|
| (a) Those who obtain 60% or more   | 1 <sup>st</sup> Division                                 |
| (b) Those who obtain less than 60% | 2 <sup>nd</sup> Division                                 |
| (c) Those who obtained 75% or more | Distinction in paper/s concerned<br>marks in the paper/s |
3. Backlog attempts will be mentioned in the result.

#### Award of Degree:

The degree will be awarded to the candidate only after he/she completes the following:

- (a) Has cleared all the examination of 1<sup>st</sup> to 6<sup>th</sup> semester.
- (b) Has completed the one-year internship (7<sup>th</sup> and 8<sup>th</sup> semester).
- (c) His/her work and conduct during the period of training have been satisfactory.
- (d) Degree will be awarded at the convocation held at the institute after completion of the course and candidate is declared pass.

#### Cancellation of admission

Admission of a student may be cancelled in accordance to rules and regulation setup by the CMT, SGPGIMS, Lucknow.

- a) He / She not found qualified as per AICTE/ State Government norms and guideline or the eligibility criteria prescribed by the CMT, SGPGIMS, Lucknow.
- b) He / She is unable to complete the course with in the stipulated time as prescribed above.
- c) He / She is found involved in discipline in the college or institute.

In addition to above rules, all other rules and regulations formulated by CMT, SGPGIMS, Lucknow will be applicable and is subject to change as per decision of the Institute from time to time.

#### Summer and winter vacation:

Summer and winter vacation will be given in accordance to rules and regulation setup by the CMT, SGPGIMS, Lucknow.

#### Skills based outcomes and monitorable indicators for Medical Radiology and Imaging Technologist

##### **Competency statements**

1. Should be able to undertake perfusion related procedures (CPB, IABP, ECMO) independently in association with surgical team.
2. Assist in specialised perfusion procedures.
3. Able to do the circuit set up.
4. Should be able to handle all perfusion related equipment independently.
5. Should ensure patient safety, asepsis and quality assurance
6. Undertake care and maintenance of all perfusion related equipment
7. Able to evaluate blood gas, ACT, electrolytes, perfusion pressures etc.
8. Able to identify and manage emergency situations.
9. Able to receive and document medical record.

*Bajpa*  
**Lt Col Varun Bajpai** implements health and safety procedures

**Executive Registrar**: Demonstrates ability to interpret, apply and disseminate information as a member of the medical perfusion team  
SGPGIMS,Lucknow

12. Ensures patient safety legislation is adhered to
13. Demonstrates knowledge and skills to carry out the daily/weekly Quality Control (QC) checks
14. Participates in research activities
