

## Notice

The Institute, since its inception, has mandated and successfully implemented Choice Based Credit System (CBCS) to impart additional skills to all the students enrolled in DM, MCh, MD, MS, PhD, and MHA programmes. These CBCS, as approved by the Academic Board in 1988, were named as 01 courses (mandatory) and 02 (optional) courses. As of now, the CBCS has been approved for 30 programmes (DM, MCh, MD, MS, PhD, MHA) run by the institute and has been implemented for all of them. Recently, we have renamed the 01 courses as 'Competency enhancement modules' and 02 courses as 'Optional courses'.

### List of Programmes where CBCS is mandated and implemented
