

## Sanjay Gandhi Post Graduate Institute of Medical Sciences

Value added Certification Course  
on  
Cyber laws in India

Duration : 30 Hours  
Timing : 10.00 AM to 3.00 P.M.  
20<sup>th</sup> -25<sup>th</sup> June 2022  
Venue : Telemedicine Auditorium, SGPGI

**Organising Secretary :**  
Dr Rajesh Harsvardhan  
Professor & Head  
Department of Hospital Administration  
SGPGI, Lucknow

Course Code: VAC081

The objective of studying Cyber Laws in India is to promote legal compliance and ethical behavior in the digital realm. Students learn about the legal responsibilities and liabilities associated with cyber activities and gain insights into ethical considerations related to cybersecurity and information technology. This helps in developing a culture of responsible and ethical digital practices.

### Learning Outcome :

At the end of this course, the students will be able to:

- Develop a comprehensive understanding of the legal framework governing cyberspace in India. They will learn about the Information Technology Act, 2000, and its amendments, along with other relevant legislation, regulations, and guidelines.
- Gain knowledge about different types of cybercrimes, including hacking, identity theft, cyberbullying, phishing, data breaches, online fraud, and cyber terrorism. They will understand the legal definitions, implications, and penalties associated with these offenses.
- Learn about the jurisdictional aspects of cyber laws in India. They will understand how territoriality, cross-border issues, and international cooperation impact the investigation, prosecution, and enforcement of cybercrimes
