DSLR PHOTOGRAPHY

VAC067

Duration: 18 hrs

Timing : 3:00-7:00pm

Monday- Friday, 7th November 2022 to 11th November 2022

Venue : Telemedicine, SGPGIMS, Lucknow

Organising Secretary

Dr Aditya Kapoor

SGPGIMS, Lucknow

Value Added Course:- DSLR Photography

Course Outcome:-

1. Participants will gain a comprehensive understanding of the various features and functions of a DSLR camera.
2. Participants will have a solid foundation in technical aspects, composition techniques, post-processing skills, and the ability to develop their own style as they continue their journey in the world of photography.

Course Objective:

1. To appreciate more about the "Photographer's Art" through the study of historic and contemporary trends and to apply that appreciation to and through your own work.
2. To become proficient at the technical aspect of photographing with a digital camera.
3. Students will be working with those images in post processing including digital editing, saving, sizing, and posting of those images.
4. To develop the habit of looking closely at the visible world around you in order to represent it in terms of aesthetics, beauty and truth.
