College of Nursing

The College of Nursing was established on 14th January 2008at SGPGIMS, Lucknow, an autonomous State University established by the SGPGIMS Act 1983.The college offers a 4-year B.Sc. degree program in nursing. Admissions to this course are made through an all-India entrance test. The college philosophy is consistent with the ethos of the founder of modern nursing, Miss Florence Nightingale and Indian Nursing Council, New Delhi. It endeavors to train students to acquire knowledge, develop skills and a positive attitude to enable them to carry out their duties and responsibilities as a competent professional nurse.

The 4-year B.Sc. Nursing Program aims to empower the graduate to apply knowledge from physical, biological and behavioral sciences of medicine including alternative systems and nursing, in providing nursing care to individuals, families and communities; demonstrate understanding of life style and other factors which affect health of individuals and groups; provide nursing care based on steps of nursing process in collaboration with the individuals and groups; demonstrate critical thinking skill in making decisions in all situations in order to provide quality care; utilize the latest trends and technology in providing health care; provide promotive, preventive and restorative health services in line with the national health policies and programmes; practice within the framework of code of ethics and professional conduct and acceptable standards of practice within the legal boundaries; communicate effectively with individuals and groups and members of the health team in order to promote effective interpersonal relationships and teamwork; demonstrate skill in teaching the individual and groups in clinical / community health settings; participate effectively as members of the health team in health care delivery system; demonstrate leadership and managerial skills in clinical / community health settings; conduct need based research studies in various settings and utilize the research finalized, to improve the quality of care; demonstrate awareness, interest and contribute towards advancement of self and of the profession.
