1. The institute conducts exit examinations once a year, during the last six months of the completion of the tenure of the students. In case students did not qualify the minimum required marks in the examination, next exam (supplementary) is organized as per the standard procedures and guidelines, time to time released from the NMC/NCI/UGC etc.
2. The entire process is carried out by the examination cell of the institute under the supervision of the Office of Dean.
3. The Tata Consultancy Services (TCS) is helping in the scanning to the answer sheet, sending it to the examiner, after the evaluation collecting the answer sheet from the examiner. Further results are being prepared and declared by the office of the Dean.

- The minimum passing marks required in the exit examination are presented in Table 3.
- All the successful candidates are proceeding for the award of the degree in the convocation of the institute.
- For the PhD program, the research cell of the Institute conducts exits examinations in terms of their final thesis presentation in front of the external examiners in the open platform of the institute. A candidate with at least 3 doctoral committee meetings and their thesis has been accepted and approved by the external examiners is eligible for the final thesis presentation. All the successful candidates are awarded the PhD degree in the convocation of the institute (2023-24)
