UpToDate®

Report Period: January 2022 to December 2022

Yearly Engagement Summary
SANJAY GANDHI POSTGRADUATE INSTITUTE OF MEDICAL SCIENCES

37,144
Total Usage

Data in this report reflects the current reporting period except where noted. Benchmarks are included where possible to allow for comparison.

Decision Impact

6,654
Projected Decisions Changed*

14,598
Projected Decisions Reinforced*

* Projected decisions changed and projected decisions reinforced are calculated by taking the number of searches within the reporting period from your organization, multiplied by the overall percent of decisions changed or decisions reinforced as reported by all customers in 2019.

Trending Topics* Sorted by Increase in Views

There were no trending topics* for this report period.
For information on your most viewed topics, please refer to the Top 5 Topic Specialties by Views and Top 5 Medical Topics by Views tables in this report.

*Trending topics are defined as up to three of the most viewed topics within the reporting period that had the highest increase in views from the previous reporting period.
