Ministry of Health & Family Welfare (MOH&FW), Govt. of India(GOI) is implementing a green field project on ehealth including Telemedicine on National Medical College Network (NMCN) for interlinking the Medical Colleges across the country with the purpose of e-Education and National Rural Telemedicine Network (NRTN) for e-Healthcare delivery. Considerable amount of effort has already been undertaken to give a shape to the project. Locations for the National Resource Center (NRC) and Regional Resource Centers (RRCs) for NMCN have been defined and the medical colleges to be linked to these RRCs have also been worked out.
