Date: 02 -11-2021

SGPGI/HA/ 928 /2021

**From** : Dr. R. Harsvardhan, Member Secretary, SHICCOM & HoD, Hospital Administration  
**To** : Prof. Aneesh Srivastava, HoD, Department of Urology  
**Sub.** : **Request to ensure the participation in the training program on Infection prevention & Control Practices for staff of Deptt. of Urology, reg.**

With regard to the subject mentioned as above, it is to bring to your kind notice that the Healthcare-associated infection (HCAI) is one of the most common complications of health care management. It is a serious health hazard as it leads to increased patients' morbidity and mortality, length of hospital stay and the costs associated with hospital stay.

Effective infection prevention and control is central to providing high quality health care for patients and a safe working environment for those that work in healthcare settings. It is important to minimize the risk of spread of infection to patients and staff in hospital by implementing good infection control programme.

In view of the above, a training program has been designed by Hospital Infection Control Cell, Department of Hospital Administration to impart training regarding Standard Infection Control Practices for Consultants/Faculty, SR, JR, Nursing Staff, Hospital Attendant, Housekeeping & Technical Staff from Department of Urology.

***The aforementioned Training program on Infection prevention & Control Practices is commencing from 06-11-2021 onwards on every working Saturday, further first of the series has been scheduled for Stone Centre DOV. Details of the program are mentioned in the schedule attached as an enclosure to this letter.***

  
(Dr. R. Harsvardhan)  
Member Secretary, SHICCOM &  
Head, Hospital Administration
