**Sub:** Brainstorming/Sensitization Session on Healthcare Sector Skill Development Program - Reg.

The Ministry of Skill Development & Entrepreneurship has established the National Skill Development Corporation (NSDC) under Public Private Partnership mode in India. It aims to promote skill development by catalyzing creation of large, quality, for-profit vocational institutions. Since its inception, one of the pillar on which NSDC was built are the Sector Skill Councils (SSCs), which play a vital role in bridging the gap between what the industry wants and what the skilling curriculum ought to be. The Healthcare Sector Skill Council (HSSC) is one of the Sector Skill Councils. **Healthcare Sector Skill Council is a nodal institution for healthcare sector skill development initiative** and is notified by Government of India as Non-Statutory Certification Body. The key objective of the council is to create robust and vibrant eco-system for quality vocational education and skill development in allied healthcare and paramedics in the country.

It gives me pleasure in conveying that the **Department of Hospital Administration, SGPGIMS in collaboration with Healthcare Sector Skill Council (HSSC), Govt. of India is organizing a Brainstorming/Sensitization Session** to explore possibilities, identify prospective partners and to design an elemental roadmap so that Department of Hospital Administration can forge an alliance or a collaboration with HSSC (as desired by them) so that the objectives of HSSC can be met with.

**In view of your vast experience and expertise in the field of Healthcare delivery** we are sanguine of the fact that your participative presence will add value to the program. The program is **scheduled on 8<sup>th</sup> February, 2017 from 10:30 am to 01:00 pm in the Committee Room, 3<sup>rd</sup> Floor, Administrative Block.** Please find attached herewith the minute to minute program for needful.

In case you require any further assistance in this regard, we would be more than happy to render the same & we are just a call (CUG-6003) away. We look forward to your gracious presence.

  
(Dr. R. Harsvardhan)  
Associate Professor  
Hospital Administration

  
(Prof. Hem Chandra)  
Medical Superintendent &  
Head, Hospital Administration
